

Icon	Question	Tags
	How does this path cross the barrier here?	<code>barrier=*</code> , may add <code>stile=*</code> and <code>material=*</code>
	How does this road cross the barrier here?	<code>barrier=*</code> , may add <code>stile=*</code> and <code>material=*</code>
	How wide is the road here?	<code>width=*</code> (also updates <code>width:carriageway=*</code> if it exists), also sets or removes <code>source:width=ARCore</code>

How wide is the bicycle path here?

`width=*` or `cycleway:width=*`, also sets or removes `source:width=ARCore` or `source:cycleway:width=ARCore`

What kind of building entrance is this?

`entrance=*`

(added values are `main`, `staircase`, `service`, `exit`, `emergency`, `exit`, `shop` or `yes`) or `noexit=yes`)

Is the restroom at this place wheelchair accessible?

`toilets:wheelchair=*`

(added values are `yes`, `limited` or `no`)

Where is this fire hydrant located?

`fire_hydrant:position=*`

(added values are `green`, `lane`, `sidewalk` or `parking_lot`)

Does this tree have needles or leaves?

`if_type=*`

(added values are `needleleaved`, `broadleaved`)

Are halal products offered here?

[diet:halal=*](#)

(added values are **yes** or **no**)

Is this place air-conditioned?

[air_conditioning=*](#)

(added values are **yes** or **no**)

	<p>Is there a bicycle lane or path here? What type?</p>	<p><code>cycleway=*</code>, <code>cycleway:lane=*</code>, <code>cycleway:segregated=*</code>, <code>cycleway:oneway=*</code>, <code>oneway:bicycle=*</code>, <code>sidewalk=*</code> each with "left", "right" or "both"</p>
	<p>What sport is played here?</p>	<p><code>sport=*</code></p> <p>(added values are multi, soccer, tennis, basketball, golf, volleyball, beachvolleyball, skateboard, shooting, baseball, athletics, table_tennis, gymnastics, boules, handball, field_hockey, ice_hockey, american_football, equestrian, archery, roller_skating, badminton, cricket, rugby, bowls, softball, racquet, ice_skating, paddle_tennis, australian_football, canadian_football, netball, gaelic_games or sepak_takraw)</p>
	<p>What's the weight limit here?</p>	<p><code>maxweight=*</code>, <code>maxweight:signed=*</code></p>
	<p>Can you contribute anything to this note?</p>	<p>Adds a comment to the note.</p>
	<p>What's the speed limit for this</p>	<p><code>maxspeed=*</code> <code>maxspeed:type=*</code> <code>maxspeed:highway=living_street</code></p>

	street?	maxspeed= , maxspeed.type= , may relate to highway= living_street
	Does this stop have tactile paving?	tile_paving=* (added values are yes or no) <input type="radio"/>
	Does this crosswalk have tactile paving on both ends?	<input type="checkbox"/> tile_paving=* (added values are yes or no) <input type="radio"/>
	What religion is practiced at this place?	religion=* (added values are christian , muslim , buddhist , hindu , jewish , chinese_folk , animist , bahai , sikh , taoist , jain , shinto , caodaism or multifaith)
	What religion is this shrine associated with?	religion=* (added values are christian , muslim , buddhist , hindu , jewish , chinese_folk , animist , bahai , sikh , taoist , jain , shinto , caodaism or multifaith)
	What kind of car wash is this?	<input type="checkbox"/> f_service=* (added values are only , yes or no) and_automated=* <input type="radio"/> (added values are yes or no)
	Is this bicycle parking covered (protected from rain)?	<input type="checkbox"/> covered=* (added values are yes or no) <input type="radio"/>
	What type of bicycle parking is this?	<input type="checkbox"/> bicycle_parking=* (added values are stands , wall_loops , shed , lockers or building) <input type="radio"/>

What's the house number of this building?

[addr:housenumber=*](#), [addr:housename=*](#) or [nohousenumber=*](#); in some countries [addr:conscriptionnumber=*](#), [addr:streetnumber=*^{\[34\]}](#) or [addr:block_number=*](#)

Is smoking allowed here?

[smoking=*](#)

Do the trees here have needles or leaves?

[leaf_type=*](#)

(added values are [needleleaved](#), [broadleaved](#) or [mixed](#))

Is there a summit register here?

[summit:register=*](#)

	Is there a summit cross here?	(added values are yes or no) <input type="checkbox"/> hmit:cross=*
	Does this ferry route transport motor vehicles?	(added values are yes or no) motor_vehicle=*
	How many levels above the basement does this building have?	(added values are yes or no) both building:levels=* and optionally roof:levels=*
	Do you have to pay to park here?	 fee=* , fee:conditional=* 
	Who is allowed to park here? Parking may be free or paid.	 access=* (added values are yes , customers or private) 
	What kind of parking is this?	 parking=* (added values are surface , street_side , lane , underground or multi-storey) 
	Does this crossing have markings on the ground?	<input type="checkbox"/> crossing:markings=* (added values are yes or no)
	What kind of fire hydrant is this?	fire_hydrant:type=* (added values are pillar , underground , wall or pond)
	What basic shape does this	roof:shape=*

	What basic shape does the building's roof have?	(potentially added values are gabled , hipped , flat , pyramidal , half-hipped , skillion , gambrel , round , double_saltbox , saltbox , mansard , dome , quadruple_saltbox , round_gabled , onion , cone , many)
	What surface does this piece of road have?	surface=* (also removes source:surface=* and may adjust surface:note=*)
	What's the surface quality of this road here?	smoothness=* (also removes smoothness:date=*)
	What's the surface quality here?	smoothness=* (also removes smoothness:date=*)
	What's the structure of this bridge?	bridge:structure=* (added values are beam , suspension , arch , truss , cable-stayed , humpback , simple-suspension or floating)
	Does this place have a baby changing table?	changing_table=* (added values are yes or no)
	Is there a restroom here?	toilets=*

	<p>Do you have to pay to use this restroom?</p>	<p>(added values are yes or no) fee=* (added values are yes or no)</p>
	<p>What are the opening hours here?</p>	<p>opening_hours=*, opening_hours:signed=no</p>
	<p>Are the opening hours here signed?</p>	<p>either updates check_date:opening_hours=* or resets it to the previous edit timestamp and deletes opening_hours:signed=no</p>
	<p>What are the pickup times of this collection box?</p>	<p>collection_times=* or note:collection_times=*</p>
	<p>What type of recycling facility is this?</p>	<p>recycling_type=* (added values are centre or container) (+ location=underground)</p>

	<p>What kind of internet connection does this place offer?</p>	<p>internet_access=*</p> <p>(added values are wlan, no, terminal or wired)</p>
	<p>What's the royal cypher on this postbox?</p>	<p>royal_cypher=*</p> <p>(added values are VR, EVIIR, GR, EVIIR, GVIR, EIIR, scottish_crown or no)</p>
	<p>What's this pole made of?</p>	<p>material=*</p> <p>(added values are wood, steel or concrete)</p>
	<p>What's the surface here?</p>	<p>surface=* (also removes source:surface=* and may adjust surface:note=*)</p>
	<p>Is it lit here?</p>	<p>lit=*</p> <p>(added values are yes or no)</p>

	<p>What's the surface here?</p>	<p>surface=* (also removes source:surface=* and may adjust surface:note=*)</p>
	<p>How many steps are here?</p>	<p>step_count=*</p>
	<p>Is it lit here?</p>	<p>lit=*</p> <p>(added values are yes, no, 24/7 or automatic)</p>
	<p>Is this place wheelchair accessible?</p>	<p>wheelchair=*</p> <p>(added values are yes, limited or no)</p>
	<p>Is this place wheelchair accessible?</p>	<p>wheelchair=*</p> <p>(added values are yes, limited or no)</p>
	<p>Is this place wheelchair accessible?</p>	<p>wheelchair=*</p> <p>(added values are yes, limited or no)</p>

	<p>Is this place wheelchair accessible?</p>	<p><u>wheelchair=*</u></p> <p>(added values are yes, limited or no)</p>
	<p>What's being grown here?</p>	<p><u>produce=*</u>, may re-tag to <u>landuse=vineyard</u> or <u>landuse=farmland</u></p>
	<p>Any vegan items on the menu here?</p>	<p><u>diet:vegan=*</u></p> <p>(added values are yes, no or only)</p>
	<p>What barriers are used at this railway crossing?</p>	<p><u>crossing:barrier=*</u></p> <p>(added values are no, half, double_half, full or gate), may add <u>crossing:chicane=</u>yes</p>
	<p>Does this bench have a backrest?</p>	<p><u>backrest=*</u></p> <p>(added values are yes or no)</p> <p>or, if needed, re-tags to <u>leisure=picnic_table</u></p>
	<p>Does this ferry route transport pedestrians?</p>	<p><u>foot=*</u></p> <p>(added values are yes or no)</p>

What's the height limit below the bridge?

maxheight=*

What's the height limit below the bridge?

`maxheight=*` and `maxheight:signed=no`, also sets or removes `source:maxheight=ARCore`

What's the identification number here?

`ref=*`

`ref:signed=no`

	<p>What street is this on?</p>	<p>addr:street=*, addr:place=*</p>
	<p>Is there an air compressor available here?</p>	<p><input type="checkbox"/> mpressed air=* (added values are yes or no)</p> <p><input type="checkbox"/></p>
	<p>Is this inside a building?</p>	<p><input type="checkbox"/> loor=* (added values are yes or no)</p> <p><input type="checkbox"/></p>
	<p>What type of barrier is this?</p>	<p>barrier=*, may add stile=* and material=*</p>
	<p>What is this grill powered by?</p>	<p><input type="checkbox"/> el=* (added values are wood, electric or charcoal)</p>
		<p><input type="checkbox"/> line=*</p>

	Which direction leads upwards here?	(added values are up or down) <input type="radio"/>
	Who is allowed to park a bicycle here? Parking may be free or paid.	<input type="checkbox"/> access=* (added values are yes, customers or private) <input type="radio"/>
	How many bicycles can be parked here?	<input type="checkbox"/> capacity=* <input type="radio"/>
	Do you have to pay to park a bicycle here?	<input type="checkbox"/> p=* (added values are yes or no) <input type="radio"/>
	Is there a working bicycle pump here?	<input type="checkbox"/> service:bicycle:pump=* (added values are yes or no) <input type="radio"/>
	How many rental bicycle spaces are here?	<input type="checkbox"/> capacity=* <input type="radio"/>
	What type of bicycle rental is this?	<input type="checkbox"/> bicycle rental=* (added values are docking_station or dropoff_point or shop) <input type="radio"/>
	Are bicycle repair services offered here?	<input type="checkbox"/> service:bicycle:repair=* (added values are yes or no)
	Are second-hand bicycles sold here?	<input type="checkbox"/> service:bicycle:second_hand=* / service:bicycle:retail=*

	here?	(added values are yes or no)
	What's the surface of the bicycle path here?	cycleway:surface=* (also removes source:cycleway:surface=* and may adjust cycleway:surface:note=*)
	Is there a waste basket at this stop?	 =* (added values are yes or no)

	Do these traffic lights have a tactile indication for blind people for when it's safe to cross?	traffic_signals:vibration=* (added values are yes or no)

Is this building completed?

`construction=*`, `check_date=*`, `opening_date=*` and corresponding `source=*` tags might be deleted;
adjusts or deletes `check_date=*` and `building=*` from previous `construction=*` value

Is this building completely underground?

`location=*`

(added values are `underground` or `surface`)

What kind of building is this?

`building=*`, `man_made=*`, `historic=yes`, `abandoned=yes` or `ruins=yes`

	<p>Is this stop lit?</p>	<p>.* (added values are yes or no)</p> <p></p>
	<p>What's the name of this stop?</p>	<p>.*</p> <p>name=*, name:signed=no</p> <p></p>
	<p>What number or code identifies this stop?</p>	<p>.*</p> <p>ref=*, ref:signed=no</p> <p></p>
	<p>Is there a shelter at this stop?</p>	<p>.*</p> <p>shelter=* or covered=*</p> <p></p>
	<p>Is there any way for customers to charge their phone, laptop etc. here?</p>	<p>.* power_supply=*</p> <p>(added values are yes or no)</p>
	<p>Who may camp here?</p>	<p>.* huts=* / caravans=*</p> <p>(added values are yes or no)</p> <p>backcountry=yes</p>
	<p>What type of traffic calming is this?</p>	<p>.* traffic calming=*</p> <p>(added values are bump, hump, table, cushion, island, choker, chicane or rumble_strip)</p> <p></p>
	<p>How many cars can be charged here at the same time?</p>	<p>.*</p> <p>capacity=*</p> <p></p>
	<p>What is the maximum speed limit here?</p>	<p>.*</p>

	<p>Who is the operator of this charging station?</p>	<p>operator=*</p> <p></p>
	<p>Is there a sanitary dump station?</p>	<p> sanitary_dump_station=*</p> <p>(added values are yes or no)</p> <p></p>
	<p>Are credit or debit cards accepted here?</p>	<p>payment:credit_cards=* and payment:debit_cards=*</p> <p>(added values are yes or no)</p>
	<p>Is cash payment accepted here?</p>	<p>payment:cash=*</p>
	<p>This shop has been vacant. What's here now?</p>	<p>shop=*, check_date=*</p>
	<p>Is this still here?</p>	<p> Removes element or adjusts/adds check_date=*</p>

Is this still here?

removes element or adjusts/adds check_date=*

What type of stile is this?

stile=*

(added values are **squeezer**, **ladder**, **stepover**)

Or allows to change to **barrier=kissing_gate**^[24]

	What's the height of the curbs at this crossing?	<ul style="list-style-type: none"> • rb=* <p>(added values are raised, lowered, flush or no)</p>
	Where is this defibrillator located?	<ul style="list-style-type: none"> • fibrillator:location=* <p>(added data is a textual string)</p>
	What is signed at this entrance?	<ul style="list-style-type: none"> • addr:flats=* / ref=* / ref:signed=no
	Is the water potable here?	<p>drinking_water=* and drinking_water:legal=*</p> <p>(added values are yes or no)</p>
	Is drinking water available here? If so, what is its source?	<p>man_made=water_tap</p> <p>fountain=bubbler fountain=bottle_refill fountain=drinking man_made=water_well + pump>manual man_made=water_well + pump=no natural=spring disused:amenity=drinking_water</p>
	Is drinking water freely available to campers here?	<ul style="list-style-type: none"> • drinking_water=* <p>(added values are yes or no)</p>
	Do you need to pay to enter here?	<p>fee=*</p>

		(added values are yes or no)
	What diameter is specified on the sign for this fire hydrant?	<code>fire_hydrant:diameter=*</code>
	What's the identification number here?	<code>ref:signed=no</code>
	What's the surface of the footpath here?	<code>footway:surface=*</code> (also removes <code>source:footway:surface=*</code> and may adjust <code>footway:surface:note=*</code>)
	Does this gas station allow self-service?	<code>f_service=*</code> (added values are yes or no)
	Is this also here outside of winter?	<code>seasonal=*</code>

	winter ?	(added values are no or winter)
	Do these steps have a handrail?	<u>handrail=*</u> (added values are yes or no)
	Is there tactile paving on this curb here?	<u>tactile_paving=*</u> , adds <u>barrier=kerb</u> if need be
	What's the height of this curb?	<u>kerb=*</u> (added values are raised , lowered , flush or no) adds <u>barrier=kerb</u> if need be
	Are kosher products offered here?	<u>diet:kosher=*</u> (added values are yes or no)
	What's the name of this place?	<u>name=*</u>

	What's the name of this place?	name=*, name:signed=no if applicable
	Does this laundry provide self-service?	self_service=* and laundry_service=* (added values are yes or no)
	On which level number is this place located?	level=*
	What's the identification number here?	ref=* or ref:signed=no
	What's the QR code here?	QR=*

	What kind of memorial is this?	(added values are statue, bust, plaque, war_memorial, stone, obelisk, stele or sculpture - for stele there are used additional tags like material=wood or material=stone)
	Which bank operates this ATM?	<u>operator=*</u>
	Can you deposit cash at this ATM?	<u>cash_in=*</u> (added values are yes or no)
	Is there a sign indicating access for mopeds on this bike path?	<u>moped=*</u> (added values are yes, no, designated) 
	How many motorcycles can be parked here?	 <u>capacity=*</u> 
	Is this motorcycle parking covered (protected from rain)?	<u>covered=*</u> (added values are yes or no) 
	What type of bicycle barrier is this?	<u>cycle_barrier=*</u> (added values are single, double, triple, diagonal or tilted)
	Can this cycle barrier be opened (with or without a key)?	<u>cycle_barrier:installation=*</u> (added values are fixed, openable or removable)
	What type of bollard is this?	<u>bollard=*</u> (added values are rising, removable, foldable, flexible or fixed)

	<p>Are pedestrians forbidden to walk on this road here?</p>	<p><code>foot=*</code>, or if user notices separate sidewalk: <code>sidewalk=separate</code>, may retag to <code>highway=living_street</code></p>
	<p>Is this a one-way street? In which direction?</p>	<p><code>oneway=*</code></p> <p>(added values are <code>no</code>, <code>yes</code> or <code>-1</code>)</p>
	<p>Is this a one-way street?</p>	<p><code>oneway=*</code></p> <p>(added values are <code>no</code>, <code>yes</code> or <code>-1</code>)</p>
	<p>What's the brand of this parcel locker?</p>	<p><input type="text"/></p> <p><code>brand=*</code></p> <p></p>
	<p>Can you drop off parcels here?</p>	<p><input type="checkbox"/> <code>parcel mail in=*</code></p> <p>(added values are <code>yes</code> or <code>no</code>)</p> <p></p>
	<p>Can you pick up parcels here?</p>	<p><input type="checkbox"/> <code>parcel pickup=*</code></p> <p>(added values are <code>yes</code> or <code>no</code>)</p>

	Can you pick up parcels here?	<input type="checkbox"/>
	How are the footpath and bicycle path laid out here?	segregated=* (added values are yes or no)
	Does this pedestrian crossing have an island?	<input type="checkbox"/> crossing:island=* (added values are yes or no)
	Is there a crossing here?	<input type="checkbox"/> highway=crossing , crossing=informal or crossing=no
	Is this covered (protected from rain)?	<input type="checkbox"/> covered=* (added values are yes or no)
	Who is allowed to use this playground?	access=* (added values are yes or private)
	Which type of police station is this?	operator=* and operator:wikidata=*
	Is there a bench at this stop?	<input type="checkbox"/> bench=* (added values are yes or no) <input type="checkbox"/>

Who accepts donations for this clothing bin?

operator=*

Can only glass bottles and jars be recycled here, or any type of glass?

recycling:glass=* and recycling:glass_bottles=yes

What can be left here for recycling?

`recycling:*=*`, retags to `amenity=waste_disposal` if need be

Any vegetarian items on the menu here?

`diet:vegetarian=*`

(added values are **yes**, **no** or **only**)

Is this path completed?

`construction=*`, `check_date=*`, `opening_date=*` and corresponding `source=*` tags might be deleted; adjusts or deletes `check_date=*` and `highway=*` from previous `construction=*` value

Which customers visit this hairdresser?

`male=* , female=* , male:signed=* , female:signed=*`

(added values are **yes** or **no**)

What type of shop is this?

`shop=*`

Are there showers here?

`power=*`

(added values are **yes** or **no**)

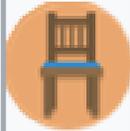

What's the surface of the sidewalk here?

`sidewalk:both:surface=* or sidewalk:left:surface=* and sidewalk:right:surface=*` (may also remove `sidewalk:*:smoothness=*` and `source:sidewalk:*:surface=*`)

	<p>Does this street have a sidewalk?</p>	<p><u>sidewalk</u>=*</p> <p>(added values are both, left, right or no)</p>
	<p>How many steps are here?</p>	<p><u>step_count</u>=*</p>
	<p>Which direction leads upwards for these steps?</p>	<p><u>incline</u>=*</p> <p>(added values are up or down)</p>
	<p>Do these steps have a ramp? What kind?</p>	<p><u>ramp</u>=*, <u>ramp:stroller</u>=yes, <u>ramp:bicycle</u>=yes, <u>ramp:wheelchair</u>=*</p>
	<p>Is there tactile paving at the top</p>	<p><u>tile_paving</u>=*</p>

	Are there tactile paving at the top and bottom of these steps?	(added values are yes , no , partial or incorrect)
	How many car lanes does this road have?	<code>lanes=*</code> , <code>lane_markings=*</code> , if need be <code>lanes:forward=*</code> , <code>lanes:backward=*</code> , <code>lanes:both_ways=*</code>
	What type of surveillance camera is this?	<code>camera:type=*</code> (added values are fixed , panning or dome)
